## APRIL SHOWERS

As we bid farewell to March, we welcome the vibrant month of April with open arms. Known for its showers that bring May flowers, this is a time of renewal, growth, and optimism. It's the perfect period to embrace new opportunities, pursue fresh goals, and celebrate the beauty of spring. Here's to a productive and joyful April!

## THE VULNERABILITY OF HEALTHCARE DATA

Can equipment at the doctor's or dentist's office get hacked?

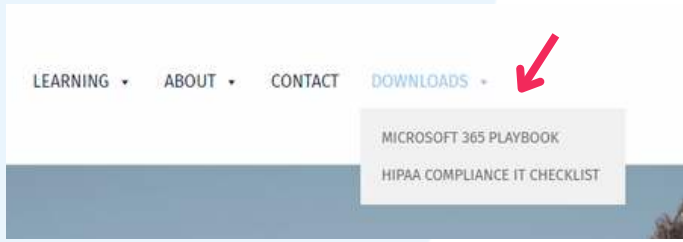

## MEDICAL DEVICES & HACKING

Can medical equipment get hacked? It sure can! Your sensitive patient data may also be at risk of exploitation. Read our blog to learn about the vulnerability of healthcare data and how a layered approach can help protect from these threats.
